#SciFiFilmsSeptember

Kanopy's Sci-Fi Films September collection is coming to a galaxy near you! Science fiction films have shaped the dreams and expectations of humankind for over a hundred years, predicting inventions like the credit card, bionic limbs, television, and even feats like the lunar landing. Science fiction stories have long opened doors to worlds and adventures beyond our wildest imagination. Audiences worldwide have traveled deep into the center of the earth and navigated across time and space, and with future technologies, there's no telling where we can go! Kanopy is proud to support the rich history of science fiction in entertainment, and we've prepared this marketing toolkit to assist in your messaging efforts to help you spread the word about our Sci-Fi Films September collection. Don't forget to look for monthly toolkit additions on our Digital Marketing Resources Page for **U.S.**, **Canadian**, and **Australian/New Zealand** markets.
